

CURRICULUM VITAE

Vishal Singla
At- GURUGRAM
HARYANA (122017)
Mob:-91-8307218403

Email Id:-vishalsingla2024@gmail.com

Career objective:-

Backend-focused Java developer aiming to contribute to the design and delivery of robust, API-driven systems using Spring Boot and relational databases.

Working Experience:-

- Working with incedo – Gurugram from June 2025 to till Date as a Java Developer Intern

Job Profile:-

- Contributed to the design and development of **scalable, API-driven backend services** using **Java and Spring Boot**, supporting core business functionality.
- Designed and implemented **RESTful APIs** with well-structured request/response models to enable efficient client–server communication.
- Worked on **WebSocket-based real-time communication** to support interactive application features requiring low-latency updates.
- Integrated backend services with **MySQL databases** using **Spring Data JPA**, ensuring reliable data persistence and retrieval.
- Wrote and optimized **database queries** to improve performance and handle growing data volumes.
- Followed **layered backend architecture** (Controller, Service, Repository) to maintain clean code, modularity, and separation of concerns.
- Performed **API testing and debugging using Postman**, validating multiple request scenarios and edge cases.
- Collaborated with cross-functional teams to **integrate APIs, resolve issues, and optimize backend performance**
- Hands-on experience in designing and developing RESTful backend services using Java and Spring Boot for scalable applications.
- Strong exposure to API-driven architecture, including request handling, response modeling, and integration with client applications.
- Proficient in API testing, debugging, and validation using Postman across multiple request scenarios
- Collaborative team player with good problem-solving, debugging, and communication skills, comfortable working in fast-paced development environments.

Job Responsibilities:

- Designed and developed **scalable RESTful APIs** using Java and Spring Boot, following clean layered architecture and industry best practices.
- Developed and secured backend services using **JWT-based authentication and authorization**, ensuring secure access to APIs
- Tested, debugged, and maintained backend applications using **Postman and Git**, ensuring reliability, code quality, and smooth deployments.
- Implemented **database integration** using Spring Data JPA and Hibernate, handling CRUD operations, validations, and performance optimization.

Education Qualification: -

- HIGH SCHOOL from Sweet Angel SR SEC SCHOOL WITH 71% in 2018
- **12th School** from SWEET ANGEL SR SEC SCHOOL WITH 81% in 2020

Technical Qualification:-

- BACHELORS IN COMPUTER SCIENCE AND ENGINEERING FROM THE JC BOSE UNIVERSITY WITH THE 8.1 CGPA- 2024

Skills:-

- SPRINGBOOT
- JAVA
- REST API
- MY SQL
- POSTMAN
- DEBUGGING
- HIBERNATE
- OOPS

Strength:-

- POSITIVE ATTITUDE
- ABILITY TO WORK IN TEAM
- PUNCHUAL
- QUICK LEARNER

Hobbies:-

- Playing Chess
- Listening Music

Personal Profile :-

Father's Name :-MOHAN SHYAM SINGLA
Date of Birth :-13 JULY 2002
Village :-Palwal,Haryana
Nationality :-Indian
Sex :-Male
Religion :-Hindu
Language Known:-Hindi , English

Date:-11-01-2026

Place :- Gurgaon
